#### **NEW BUSINESS**

Summary of SAC session held at Maple Ridge Elementary in Lantz:

- Krista and Robin attended the session held on October 26<sup>th</sup> from 6:30-8:30pm

- Krista noted that it was a worthwhile evening and very informative. It was nice to hear from other school SAC members and listen to their thoughts about what SAC's are doing at other sites.
- It is the feeling that SAC's will become more involved in future school decisions.

Do we need to recruit/solicit more involvement?

- This was a big discussion topic.
- It is felt that we need to wait and receive more direction from the Board in terms of the mandate/purpose of SAC's before we ask for more involvement. We need to be clear on what the role of the SAC is before we ask for people to become involved.
- Robin will look for our school SAC document that highlights what we feel the role of SAC is at Cobequid District to review at our next meeting.
